# SAMIRA HADID

## GRAPHIC DESIGNER

I am a highly motivated graphic designer that always aims for the best result for every project that I receive. Have many experiences collaborating with companies from various fields. With a 99% satisfaction level, I can proudly say that my works are always successfully achieving the goal that every client wants.

## EXPERIENCE

### Freelance
FREELANCE
2010 – 2012

- Designed the banner for the local gourmet festival held in summer of 2010 and become viral after many guests share the banner image on the social media
- Won the world's amateur design competition held by Studio Shodwe and receive reward money and a year of free design online course

### Team Leader
STUDIO SHODWE
2013 – PRESENT

- Created a design for the company's official jacket for the online marketing department by implementing all unique moments happened in the company's history into one single image
- Led the team to design the new promotional anniversary banner and brochure for the popular artist
